

**JSC Solikamsk Magnesium Works
ANNUAL REPORT 2018**

ANNEX № 1

List of licenses & permissions for certain activities of the Company

JSC Solikamsk Magnesium Works - List of licenses & permissions

<i>№ п/п</i>	<i>Вид деятельности</i>	<i>License №</i>	<i>Date of issue</i>	<i>Date of expire</i>	<i>Issuing Authority</i>
1.	Operation of facilities with risk of fire & explosion and facilities with chemical hazards of I, II, III Class of hazards/danger	BX-00-015059	22.10.2014	Unlimited	Federal Services for Environmental, Technological and Atomic Supervision (Rostechnadzor)
2.	Permission on operation of storage facility with radioactive residues	BO-03-210-3169	27.09.2016	27.09.2021	Volzhskiy Regional Office of Rostechnadzor
3.	Loading/reloading operations with hazardous materials in railway transport	Series ППД № 5905734	21.01.2011	Unlimited	Federal Agency For Transport Supervision (ROSTRANSNADZOR)
4.	Handling, utilization, storage of wastes & residues of I-IV Classes of Hazard	59-00222	15.01.2016	Unlimited	Perm Regional Office of Federal Services for Natural Resources
5.	Decision concerning providing of water object for disposal of waste water of SMW	59-10.01.01.002-X-PCBX-T-2017-05450/00	08.11.2017	04.10.2020	Office for Kama Basin of Federal Agency for Water Resources
6.	Permission for disposal of contaminants contained in waste water at water object - Kama reservoir on Kama River, outlet № 1K	03-02-0444 03-02-0522	06.12.2017 21.11.2018	06.12.2018 03.10.2020	Perm Regional Office of Federal Services for Natural Resources
7.	Permission on air pollution (except radioactive pollutions) by stationary sources of hazards of SMW	03-04-1418 03-04-1495	09.11.2016 13.02.2017	18.10.2021 27.12.2021	Perm Regional Office of Federal Services for Natural Resources
8.	Permission on air pollution (except radioactive pollutions) by polygon for solid wastes & residues of SMW	03-04-1111 03-04-1393	15.12.2014 22.09.2016	31.12.2019 26.07.2021	Perm Regional Office of Federal Services for Natural Resources
9.	Permission on air pollution (except radioactive pollutions) by sanatorium of SMW	03-04-1371	25.07.2016	05.06.2021	Perm Regional Office of Federal Services for Natural Resources
10.	Permission to use bowels of the earth for the purpose of pumping fresh groundwater at the water intake «Калинец» for household and industrial purposes of SMW	ПЕМ № 00660 ВЭ, Amendment № 1 to License	04.05.2005	01.03.2029	Privolzhskiy Department for Subsoil Use, Perm Office for Licensing and Geology
11.	The right to use bowels of the earth for the purpose of underground mining of fresh water for household purposes of sanatorium	ПЕМ № 00659 ВЭ, Order of 31.07.2015 № СЭД 30-01-02-971; Amendment № 1 to License	04.05.2005	07.07.2040	Perm Ministry of Natural Resources, Forestry and Environment
12.	The right to use bowels of the earth for the purpose of underground mining of fresh water for household purposes and industrial purposes at storage facility with radioactive residues	ПЕМ № 01956 ВЭ, Order of 31.07.2015 № СЭД 30-01-02-970; Amendment № 1 to License	28.08.2009	07.07.2040	Perm Ministry of Natural Resources, Forestry and Environment
13.	Medical activity	ЛО-59-01-004490	23.03.2018	Unlimited	Perm Ministry of Health Care
14.	Permission on operation with source of radiation: - equipment containing radioactive substances (sanatorium 'Zdravushka' - facility containing radioactive substances (Plant № 7)	BO-03-207-3262 BO-03-210-3169	28.03.2017 27.09.2016	28.03.2022 27.09.2021	Volzhskiy Regional Office of Rostechnadzor
15.	Operation and maintenance of source of ionic radiation (generation). Sources in operation: X-ray devices for spectral and structural analysis and detection of defects	59.55.11.002.Л.000089.07.06	31.07.2006	Unlimited	Perm Office of Federal Services for Supervision on Consumer Rights Protection and Human Welfare
16.	Installation & maintenance of fire protection equipment	59-Б/ 00011	06.03.2014	Unlimited	Perm Office of EMERCOM
17.	Permission on building & construction of facilities for storage of radioactive wastes & residues	BO-02-308-2924	24.04.2015	24.04.2025	Volzhskiy Regional Office of Rostechnadzor

18.	Permission on operation of facility for storage of radioactive waste & residues	BO-03-308-3359	26.10.2017	26.10.2027	Volzhskiy Regional Office of Rostekhnadzor
19.	Permission on handling of radioactive wastes & residues during transportation	ГН -07-601-3537	18.07.2018	18.07.2021	Directorate for the regulation of the safety of facilities for nuclear fuel cycle, nuclear power plants of vessels & radiation hazardous facilities
20.	Permission to use bowels of the earth for the purpose of gravel mining at Usovskiy gravel deposit in Solikamsk district of Permskiy Krai	0035-р, изменение № 2 к разрешению	07.11.2008	20.02.2020	Perm Ministry of Natural Resources, Forestry and Environment
21.	Activity connected with collection, handling, processing and sale of metal scrap	0259 (ПК 000235)	16.10.2017	Unlimited	Perm Ministry of Industry, Business & Trade
22.	Preparation of designing documentation for building & construction under contracts (except critically dangerous, technically complicated and unique objects, and objects of use atomic energy)	record in register of members Union SRO APO (https://perm.reestr-sro.ru/sro-v-proektirovanii/sro-id-529/members/?page=2)	25.05.2009	Unlimited	Union Self-Regulatory Organization «Architectural & Designing Organizations of Permskiy Krai (Union SRO APO)
23.	Building & construction under contracts including dangerous, technically complicated and unique objects, objects of use atomic energy	№ 437 in register of members SRO SS ZapadUralStroy (http://npzus.ru/reestr-chlenov/)	01.08.2017	Без ограничения срока действия	Self-Regulatory Organization Union of Building Companies "ZapadUralStroy" (SRO SS ZapadUralStroy).
